Hello! 👋 I'm your AI E-Commerce Assistant powered by Retrieval-Augmented Generation (RAG).
I can help you with:
• Products: Specifications, availability, warranty, size charts, authenticity.
• Orders: Placing orders, modifications, auto-cancellation rules, order tracking.
• Shipping & Delivery: Rates, timelines, courier details.
• Returns & Refunds: Return windows, refund processing times, return conditions.

Return Policy & Window
Item	Return Window	Conditions
Most products	7–10 days after delivery	• Must be unused, in original packaging, with all tags and accessories intact.
Innerwear, perishables, customized items	Non-returnable	For hygiene and safety reasons.

How to Initiate a Return
1. Go to "My Orders" in your account.
2. Select the order containing the item you want to return.
3. Click "Return Item."
4. Choose a reason (e.g., defective, wrong item, not as described, size issue).
5. Select whether you want a replacement or a refund.
6. Confirm the request.
• A free reverse pickup will be scheduled, or you may be asked to self-ship the item in some cases.

Knowledge Base 1
Clear
• You can cancel a return request as long as the reverse pickup has not yet been completed.
• Do this from "My Orders" → select the order → click "Cancel Return Request."
> *Source: Page 7.*

Refund Processing
• Once the returned item is received and quality-checked by the seller/warehouse, the refund is processed.
• The exact number of days for the refund to appear in your account is not specified in the KB, but the refund amount and any adjustments (e.g., non-refundable shipping or COD fees) are shown before you confirm the return.
> *Source: Page 6.*

Key Takeaway:
You have a 7–10 day window to return most items, provided they're unused and in original condition. Certain categories are non-returnable. Initiate returns via "My Orders," and you can cancel a return before pickup. Refunds are processed after the item is inspected.
